UNSSC Coaching programmes enable participants to explore challenges, relationships and tools, as well as good leadership and management practices. Coaching helps participants gain insights that enable them to be more effective in attaining their goals or in shaping their vision.

Introduction

Coaching is a learning process: it changes the way we observe ourselves and others, or engage in a specific situation. We work on ourselves together with the coach.

The UNSSC Executive Coaching for General Service staff package offers the opportunity, space, structure, and, crucially, the safety, for busy staff to reflect, contextualize, learn, and grow.

Objectives

- Reflect on your values, behaviours, goals, and vision
- Define gaps you want to address
- Explore your resources and barriers
- Develop actions
- Come to your own conclusions on your areas of development

Course methodology

Our coaching services are delivered by highly experienced and credentialed coaches who work in our programmes, allowing them insight to the UN context. You can benefit from tailored one-on-one coaching sessions, to discuss and find meaningful learning while working to reach your goals and vision.

If you have already worked with one of our coaches, you are welcome to request to work with the same one. If this is your first coaching experience, we will contact you after your enrolment has been approved in order to pair you with one of our coaches, according to your specific needs.

The UNSSC Executive Coaching for General Service staff - Five Session Package offers 5 sessions of 1 hour each, for a total of 300 minutes of coaching

The coaching is completely individualized for you and confidential and will be delivered online (Skype, Zoom, telephone, etc.).

Course contents

Please be aware of our coaching policy on scheduling, rescheduling, cancellation and no-show of sessions:

Procedure and Scheduling of the Coaching session:

- The time of the Coaching meetings will be determined by the Coach and Client based on a mutually agreed upon time.
- Coaches will make a minimum of 3 attempts in writing to communicate with the Client to schedule the session.
- If the Coaches' efforts do not successfully result in the scheduling of the session, UNSSC will make contact with the Client advising of a deadline for replying and scheduling of the session in order to avoid forfeiting a session.
- If the above efforts do not result in a coaching session being scheduled and completed within the agreed time frame, the Client will forfeit a coaching session.

If coaching sessions of differing lengths of time are planned as part of the programme, the session of lesser time that has yet to take place will be forfeited.

Cancellation of sessions
