UNSSC coaching programmes enable participants to explore challenges, relationships and tools, as well as good leadership and management practices. Coaching helps participants gain insights that enable them to be more effective in attaining their goals or in shaping their vision.

## Introduction

Coaching is a learning process: it changes the way we observe ourselves and others, or engage in a specific situation. We work on ourselves together with the coach.

The UNSSC Executive Coaching for General Service Staff package offers the opportunity, space, structure, and, crucially, the safety, for busy staff to reflect, contextualize, learn and grow.

## Objectives

- Reflect on your values, behaviours, goals, and vision
- Define gaps you want to address
- Explore your resources and barriers
- Develop actions
- Come to your own conclusions on your areas of development

# Course methodology

Our coaching services are delivered by highly experienced and credentialed coaches who work in our programmes, allowing them insight to the United Nations(UN) context. You can benefit from tailored one-on-one coaching sessions, to discuss and find meaningful learning while working to reach your goals and vision.

If you have already worked with one of our coaches, you are welcome to request to work with the same one. If this is your first coaching experience, we will contact you after your enrolment has been approved in order to pair you with one of our coaches, according to your specific needs.

The UNSSC Executive Coaching for General Service Staff - Three Session Package offers 3 sessions of 1 hour each.

The coaching is completely individualized for you, confidential and delivered online (Skype, Zoom, telephone, etc.).

## Course contents

Please be aware of our coaching policy on scheduling, rescheduling, cancellation and no-show of sessions:

### **Procedure and scheduling of the coaching session:**

- The time of the coaching meetings will be determined by the coach and client based on a mutually agreed upon time.
- Coaches will make a minimum of 2 attempts in writing to communicate with the client to schedule the session.
- If the coaches' efforts do not successfully result in the scheduling of the session, UNSSC will make contact with the client and advise on a deadline for the replying and scheduling of the session in order to avoid forfeiting a session.
- If the above efforts do not result in a coaching session being scheduled and completed within the agreed time frame, the client will forfeit a coaching session.

### **Cancellation of sessions and no-shows**

- Coachees must give their assigned coach 24-hour cancellation notice prior to their scheduled session.
- Coachees are allowed a maximum of two cancellations per coaching session.
- In the event that participants have exhausted the allowance of re-scheduling their sessions, or they no-show or cancel their session with less than 24 hours' notice, the coachee will forfeit a session.
- Exceptional circumstances will be dealt with on a case-by-case basis by the coach and coachee.

## Target audience

This activity is open to any general service staff member from across the UN.

In order for us to better tailor the coaching offer to your needs, kindly reply to these questions in the "Motivation" field when you enrol online:

- Have you ever been coached before?
- If you have been coached before as part of one of our programmes, would you like to be assigned the same coach?
- What is your preferred language for coaching?
- What is your preferred time zone for the coaching

## Cost of participation

The fee is \$800 for three sessions of one hour each.
