

A set of free tools and online courses designed to advance the leadership and management skills of United Nations(UN) system personnel.

Introduction

The Staff College is offering all UN personnel free access to a set of selected online courses and management-related tools that form part of the Blue Line global learning hub.

Objectives

In offering this unique space for free and continuous learning in the area of leadership and management, the Staff College aims to strengthen the knowledge and skills of UN personnel, with an eye to enhancing the effectiveness of the UN system.

Course methodology

After registration, participants can start and complete modules and activities at their own pace.

UN personnel can find online modules and courses covering a broad range of leadership and management-related topics relevant to the UN system and access a growing collection of management-related tools.

UN personnel can explore courses and tools, share experience and tips on how to apply them for the greatest impact, and download curated materials for personal use.
