

PAHO - Corporate Subscription to the Blue Line

As PAHO personnel, you have access to a wide range of learning offerings on the Blue Line, UNSSC's global learning hub open to all UN colleagues for **personalized and self-directed learning**.

Through your account, you will be able to choose from **50+ curated online modules** and pursue numerous **certified Learning Paths**, including a path tailored to **PAHO's People Strategy**. You will also have the opportunity to explore a growing **collection of tools** and **share your learning experience** with fellow UN colleagues through online discussion forums and Live Events.

Blue Line makes it easy to stick to your learning goals throughout the year by enabling you to **earn badges and certificates** at your own pace, **track your progress** each step of the way with advanced analytics and, ultimately, make learning and development a habit.

(Your login credentials will be sent directly from the Blue Line platform)
For any enquiries, contact emc@unssc.org

The learning offerings on Blue Line are divided into three main categories:

■ e LEARN

Curated online modules on management, leadership, innovation and evaluation in the UN.

■ open UN

Free courses and programmes on a broad range of topics of interest for the UN system.

■ toolBOX

A growing collection of free tools powered by UN personnel, for UN personnel.

For a visual guide of all modules and learning paths available on the Blue Line, please visit the catalogue [here](#).

The Extended E-Certificate in Leadership and Management

The Extended E-Certificate in Leadership and Management is a self-paced online programme uniquely designed to respond to the needs and challenges of colleagues across the UN system.

How to get started:

1. After completing the registration, you will receive the login credentials to access the platform [here](#).
2. Visit **“Your Subscription - Extended E-Certificate in Leadership and Management”** for an overview of the programme along with its objectives and completion requirements.
3. Take the **self-assessment with Blu**, the Blue Line chatbot, to discover which modules best serve your learning needs, interests and goals.
4. Visit your **personalized dashboard** to explore the learning offerings available on Blue Line through the filter menu on your Learning Plan Block. Select the “Extended E-Certificate” filter to view all the modules included in the programme.
5. Use the **“Create learning plan”** button to add modules to your individual learning plan and click on each module to start learning.
6. You will earn a badge upon completing each module. Once you have a total of **25 module completion badges**, you will be awarded the Extended E-Certificate on Leadership and Management.

Specialized Learning Paths You Will Find on Blue Line

While pursuing the Extended E-Certificate in Leadership and Management, you can achieve additional certificates by completing certification courses or specialized learning paths. The modules completed as part of these paths will count towards the achievement of the Extended E-Certificate.
