### **Organizational Context:**

The UN System Staff College (UNSSC) is dedicated to serving the learning and knowledge needs of the UN System and, increasingly, of partner organizations. We create first-rate learning experiences grounded in the bedrock values of multilateralism and dignity for all enshrined in the UN charter. The UN system and partners rely on UNSSC to enhance their knowledge and skills across leadership and management, sustainable development, and peace-building. UNSSC is headquartered in Turin, Italy, with a Knowledge Centre for Sustainable Development in Bonn, Germany.

Communications are critical for advancing UNSSC's mission and raising its profile among UN staff and, increasingly, beyond the UN. Communications should aim to position the UN System Staff College as the learning organization for the UN system (and beyond) and help boost the number of UN staff taking part in UNSSC courses. Staff within the UN system – and increasingly outside the UN system – need to know that UNSSC is a leading provider of learning and knowledge on the 2030 Agenda for Sustainable Development, on peace and security issues, and on leadership and management. Twitter, LinkedIn and Facebook can help position the Staff College's offerings and expand enrollment in UNSSC's learning programmes and tailored solutions. .

### **Terms of reference:**

The selected intern will apply her/his skills in the field of communications and will report to the Communications and Outreach Officer. S/he will gain understanding of the UN's work in general, and in the area of communications, in particular.
