Vacancy No: VA/UNSSC/013/2024
Post Title: Change Management Specialist, P4
Organizational Unit: Knowledge Centre for Leadership and Management
Duty Station: Bonn, Germany
Duration: 1 year; extensions are subject to satisfactory performance and availability of funds
Deadline for applications: 29 May 2024

At the United Nations System Staff College (UNSSC), the paramount consideration in the recruitment and employment of staff is the necessity of securing the highest standards of efficiency, competence and integrity, with due regard to geographic diversity. All employment decisions are made on the basis of qualifications and organizational needs. UNSSC is committed to creating a diverse and inclusive environment of mutual respect. The United Nations recruits and employs staff regardless of gender identity, sexual orientation, race, religious, cultural and ethnic backgrounds or disabilities. Reasonable accommodation for applicants with disabilities may be provided to support participation in the recruitment process when requested and indicated in the application.

Organizational Context:

The United Nations System Staff College (UNSSC) is dedicated to serving the learning and knowledge needs of the UN system and partner organizations. We create first-rate learning experiences grounded in the bedrock values of multilateralism and dignity for all enshrined in the UN charter. Participants in our programmes rely on UNSSC to enhance their knowledge and skills across leadership and management, sustainable development, and peace and security. UNSSC is headquartered in Turin, Italy with an office in Bonn, Germany. The UNSSC, through its Knowledge Centre for Leadership and Management (KCLM), offers a wide array of well-established leadership and management development programmes for staff at all levels, from emerging talent to senior leaders as well as change management expertise.

The UN Lab for Organizational Change and Knowledge (UNLOCK) is part of the KCLM and was created to promote a culture of change and innovation across the UN system. Under the auspices of UNLOCK, the Staff College offers a set of interventions designed to connect the entire UN family in the advancement of organizational change and innovation at all levels.

The targeted interventions of KCLM/UNLOCK benefit from the College's unique understanding of the UN system and its shared values, as well as its ability to draw on the insights and data from a broad network of collaborators, in particular UN change managers who are part of the UNLOCK network. UNLOCK is providing change management advisory
services, develops capacity building programmes, provides thought leadership through case studies and facilitates the UNLOCK network of UN change practitioners.

**Terms of Reference**

Reporting to the Senior Manager of KCLM, the Change Management Specialist is responsible for the following key functions:

1. **Design and delivery of change management services to UN clients**
2. **Design and facilitation of capacity building and knowledge sharing within UN**

In particular, the Change Management Specialist is expected to:

### 1. Take active role in design and delivery of change management advisory services to UN clients focusing on achievement of the following results:

- Effective project management in engagements
- Provision of quality consultancy services to UN agencies as required
- Formulation of consulting proposals and business cases
- Data collection, research, analysis and presentation of information from diverse sources
- Facilitating in a participatory approach client’s reflections
- Making presentations on assigned topics/activities
- Development of change management strategies with action plans to be used by clients
- Provision of guidance to external consultants
- Drafting end of engagement reports following through with engagement clients

### 2. Design and facilitation of capacity building and knowledge sharing within UN focusing on achievement of the following results:

- Coordination, design, delivery and evaluation of learning services in relation to change management for particular client engagements based on thorough needs assessments through desk reviews, surveys, interviews and focus groups.
- Translate client’s needs into content guidance for the development of story boards and self-paced modules in the area of change management.
- Synthesis of lessons learnt and best practices in change management
- Develop a toolkit for Managing Change processes in response to client requests

### 3. Develop Knowledge Management products based on best practice in change management

- Gather data of best practice in change management both from UN practitioners and through desk research
- Consult UN stakeholders as part of the analysis
- Write and disseminate knowledge products
The key results have an impact on the capacity of UN offices to deliver in a seamless manner on their change process and thus ultimately on the organizational effectiveness of the UN based on the establishment of a UN Change Management Community as well as a strong facts-base supported by analytical tools and analysis.

- In addition, the results actively contribute to the organizational learning, informed decision making and positive change in the management area through regular analysis of the performance of various UN entities, and of other management data, including monitoring and other tools.
