Introduction

The 2030 Agenda for Sustainable Development and the UN management reform call for UN managers to lead effective teams, implement changes and ultimately strengthen the UN's capacities to achieve the 2030 Agenda.

This executive management programme is tailor-made for UN managers. It provides practical tools and knowledge to help them address UN complex realities and deliver results effectively, both in challenging field locations and at headquarters.

For more information, you may watch the recordings of our previous two online open house and browse a sample of online module [here](#), by clicking on 'Log in as a guest'.

Objectives

Upon successful completion of this course, participants will be able to:

- Create high-performing teams, by motivating and coaching staff, and

Where Blended programme (online and Turin)
