MBA stream in Managing International Organisations

*“We are delighted to team up with the **University of Stellenbosch Business School** to offer an **MBA stream in Managing International Organisations**. The programme is built on USB’s long history of providing **top-quality academic rigour in management** and the UN System Staff College’s **deep knowledge of today’s global challenges faced by the United Nations** and other international organisations. By participating in this programme, learners will enhance their capabilities **to lead and manage the complexities and the inner workings of multilateral institutions.**”*

Dr Jafar Javan, Director, UNSSC

environment

Why suitable for UN Staff?

- **2030 AGENDA FOR SUSTAINABLE DEVELOPMENT**
- **THE UN REFORMS**
- **THE UN SYSTEM LEADERSHIP FRAMEWORK:** *A call to action – and a call for change – for all UN personnel*

“We need to break down our silos and fully embrace a new way of working to better connect our work across efforts at sustaining peace, human rights, sustainable development and humanitarian action. For this we need visionary and principled UN leadership – across the system.”

Why USB?

- MBA Full-time programme ranked **2nd** in Africa
 - Eduniversal Best Masters Ranking 2018 (out of 200 schools)
- First African university school to receive all 3 International accreditations: AACSB, EQUIS, AMBA
- **MBA Leadership development**
 - USB is known for its strong focus on leadership development
 - USB develops responsible leaders for all industries through well-grounded business education and research
- Network of top business schools and international agencies
- Global perspective & African contextualisation

What the programme offers you:

- Tools, theories and frameworks to **lead successfully in a complex global environment**
- UNSSC and USB's top quality expertise in **Leadership and Management**
- A **network of senior UN leaders** contributing to the delivery of the modules and serving as research supervisors
- Experience of international organisations through a **one-week study tour in Vienna**
